PROJECT ELDER HELP

By supporting Project Elder Help (PEH), you help older San Antonians age in place with dignity.

Project Elder Help provides services on a sliding scale basis to seniors living throughout San Antonio. Qualified clients receive quality assistance at home from dedicated caregivers.

**Everyone deserves access
to quality care as they age.**

Receiving regular visits from a caregiver can help older adults stay safe, healthy, and happy in their own home. The high cost of in-home care is a barrier to many families. PEH seeks to eliminate that barrier.

CCVI LEGACY FUND

We believe no older adult should have to face the threat of eviction or homelessness.

This program provides charitable rent subsidies for current Village residents who are struggling financially. Your donations provide them with not only housing security, but peace of mind.

**Everyone deserves a safe,
happy place to age peacefully.**

As cost of living continues to rise, many older adults will outlive their retirement savings. The National Council on Aging estimates that 80% of households with older adults are financially struggling.

SPIRITUAL LIFE

Your generosity provides daily spiritual enrichment for older adults, including religious Sisters and lay people.

Our Spiritual programs include daily Mass and Adoration in TVIW chapels, weekly Bible study, and other interfaith groups.

**Everyone deserves to know God's
comfort and peace as they age.**

For many older adults, attending daily Mass and other ecumenical services is not just a way to connect with God - it's a chance to connect with friends and their community.

Spirit of Service
