The Village at Incarnate Word is a 501c3 non-profit senior living community and a sponsored ministry of The Sisters of Charity of the Incarnate Word. Donor support sustains our residential community and charitable ministries serving older adults throughout San Antonio.

Our Charitable Ministries

Project Elder Help

By supporting Project Elder Help (PEH), you help older San Antonians age in place with dignity. Project Elder Help provides Sisters Care in-home care services on a sliding scale basis to seniors living throughout San Antonio. Qualified clients receive high quality care at home from dedicated caregivers.

GRACE Benevolence Fund

No older adult should face the threat of eviction or homelessness. This program provides charitable rent subsidies for current Village residents who are struggling financially. Your donations provide those in need with housing security and peace of mind.

Spiritual Life

Your generosity provides daily spiritual enrichment for older adults, including religious Sisters and lay people. Our Spiritual programs include daily Mass and Adoration in our four onsite chapels, weekly Bible study, and other interfaith groups.
